Wellcome to code-soccer.

Now we assign you a task to take you to Grand Finale Round. We are giving you a String find the vowels in it. and print in the same sequence as it is.

Input Format

String containing charecters.

Constraints

All charecters in string are alphabets only.(a-z,A-Z)

Output Format

String Containing Vowels

Sample Input 0

gietuculturalfest

Sample Output 0

ieuuuae

Explanation 0

- In the given string "gietuculturalfest"
- "ieuuuae" are the vowels.
- Note : Order of the vowels should be same.
